*Final Song: Forever Young – Youth Group
Performed by Will Harrison*

Let's dance in style let's dance for a while,
Heaven can wait we're only watching the skies,
Hoping for the best but expecting the worst,
Are you gonna drop the bomb or not?
Let us die on let us live forever,
Don't have the power but we never say never,
Sitting in the sandpit life is a short trip,
Music's for the sad man

Can you imagine when this race is run,
Turning up our faces into the sun,
Praising our leaders getting in tune,
Music's played by the mad man

Forever young, I want to be forever young,
Do you really want to live forever?
Forever forever,
forever young, I want to be forever young,
Do you really want to live forever?
Forever, forever

Some are like water Some are like the heat,
Some are melodies Some are the beat,
Sooner or later they'll all be gone,
Why don't they stay on?
It's hard to get without a cause,
I don't want to perish like a fading voice,
Youth is like diamonds in the sun,
And diamonds are forever,
So many adventures couldn't happened today,
So many songs that we forgot to play,
So many dreams swimming out in the blue,
Let them come true
Forever young I want to be forever young,
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young,
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young,
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever...
